

JUMPING CHOLLAS AGILITY CLUB PRESENTS

STACY PEARDOT-GOUDY

SEMINAR 1 - JANUARY 24-26, 2023 - 8:30 AM- ~4:30PM - ADVANCED HANDLING - 3 days of working with Stacy on improving and polishing your handling skills. You don't want to miss a single day of this exciting and challenging seminar (but you can sign up for less than all 3 days if there is room). For dogs working at the Masters, Excellent, or Elite levels (even if not yet showing at that level).

SEMINAR 2 - FEBRUARY 21, 2023 - 8:30am- ~4:30pm - TWEENERS. For those beyond beginners but not yet really ready for advanced and for those who will be trialing soon or are just starting trialing. This seminar will prepare you for the skills you will need when you set foot in the ring for real, including how to transition from training to trialing and how to keep your obstacle performance and handling skills as sharp in a trial as they are at home, so you never have to say again "But my dog does it perfectly at home or in class."

SEMINAR 3 - FEBRUARY 22, 2023 - 8:30 AM- ~4:30 PM - SIDE CHANGES. Virtually every agility course requires you execute various changes of sides, whether front, rear, or blind crosses, as well as various turns such as wraps. Yet many people are unconfident or unskilled in their choice and execution of these crucial handling skills. Stacy will share the secrets of great turns and crosses and strategies for their use. This is a great way to build your dog's teamwork with you.

SEMINAR 4 - FEBRUARY 23, 2023 - 8:30 AM- ~4:30 PM - COLLECTION AND TIGHT TURNS. Does your dog love to run in extension and finds collection a burden they prefer to avoid? Are you skilled in cuing timely collection so that your dog can turn tight or perform other skills requiring that the dog collect? Does your dog knock bars when they have to collect? Join us for a really fun day working your dog and learning how your team can enjoy collection and tight turns.
