

JUMPING CHOLLAS AGILITY CLUB PRESENTS

JEANNIE BIGGERS

From Ontario, Oregon

Jeannie started officially training dogs in 2005. Her background is horses and she thinks of training, body movement, and handling a bit differently than many others. She has come up with a way that she can communicate to her dogs in a very black and white manner, so they know exactly what it is she wantw them to do. In the last couple of years, she has been transitioning into more of a coach then a participant and she is loving her journey. She looks forward to adding you to that list!!

The way she teaches and communicates with dogs works no matter if you want to do Big Distance, Elite Chances, USDAA, UKI etc. She has students that do all venues and do them well. She personally has only competed in NADAC and has been quite successful over the years in all divisions as well as Stakes.

SEMINAR 1 - FEBRUARY 2, 2024 - 8:30 AM - ~12:00 PM - CHANCES -

Do you and your dog struggle in NADAC Chances? Then this is a seminar for you. Jeannie will help your team achieve more success in distance classes such as Chances. Your dog should be at least ready to compete (so able to perform all the obstacles) up through Elite level. This seminar will be held at the JCAC training site we call the Patch, 25128 N. 15th Ave., Phoenix, Az.

SEMINAR 2 - FEBRUARY 2, 2024 - 1:00 PM - ~4:30 PM - STAKES -

This seminar is meant for those who trial in NADAC Stakes classes, or who are interested in trying Stakes. (Stakes are the big distance classes in NADAC). So your dog should be able to do all the obstacles independently and at least at the distance seen in Elite Chances. This seminar will be held at the JCAC training site we call the Patch, 25128 N. 15th Ave., Phoenix, Az.
