

## JCAC April 2014 Membership Minutes

Called to order at 700 pm by Wendy Hultsman

March 2014 Minutes approved

### Treasurer

- US Bank \$19,610.88; JH 2,436.46; AKC Account \$772.66.

### Membership

- 168

### Equipment

- Alice Nicholson will put new padding on chute.
- Billie Rosen will ask Alice & Jim Nicholson to make more jump and weave poles to replace the broken ones.
- It was mentioned, 2<sup>nd</sup> and approved to get more rubber pellets brushed in for the surfacing and will start on the advanced side to get it ready for the summer shows. UPDATE: We will most likely be purchasing the power broom and complete the job ourselves
- Wendy Hultsman will ask Gary Shipley before he leaves if he can work on the breaker box to make one switch to control the outside lights. UPDATE: It is not feasible to do one switch as that places too much of a load on the system.

### Shows/Seminars

- The Coors building people were great to work with, surface was fine and meals were good too.
- After the May show we will have to see if future shows will be held there due to attendance. After the AKC club meeting, the May show may be a AKC show instead of NADAC since there is now a March NADAC show.
- The November AKC show dates are approved for November 21-23 at ASU West.
- For January 2015 only, the NADAC (January 16-18) & AKC PAWS (January 9-11) shows will be swapped. Applications just about ready to submit and Billie Rosen is still looking for one more judge for the NADAC show.
- Billie Rosen will start looking for show officials for the Fall 2014 season and will send an email out.
- Billie Rosen will ask Paula Goss if she is available for the February 2015 NADAC handling seminar. Susan Anderson is available for that time. UPDATE: Susan is no longer available for 2015 however Paula is. Susan will come the following year.
- Wendy Hultsman is working on a video for the Pet Expo. Billie Rosen is gathering volunteers to work the booth. There will be 10am-1pm and 1-4pm slots available. UPDATE: No video as it costs almost \$100 just to get electricity at the Pet Expo.

### **Training**

- All instructor slots are now full for the final session before summer and roster is finished.
- The August Foundation class is full.
- Sue Lackey will be turning over the reins of the Foundation & Relationship class to Sue Boe.

### **JCAC AKC Business**

- The AKC club meeting will be in the process of nominating new officers and have a meeting scheduled for May 4<sup>th</sup>. UPDATE: Elections were held.

### **Old Business**

- The Special Olympics confidence course at GCU fell through since dogs are not allowed on site unless they are therapy dogs. They still want JCAC to help develop an agility program.
