

JUMPING CHOLLAS AGILITY CLUB PRESENTS

# STACY PEARDOT-GOUDY

**SEMINAR 1 - JANUARY 19, 2021 - 8:30am-4:30pm - TWEENERS.** For those beyond beginners but not yet really ready for advanced and for those who will be trialing soon or are just starting trialing. This seminar will prepare you for the skills you will need when you set foot in the ring for real, including how to transition from training to trialing and how to keep your obstacle performance and handling skills as sharp in a trial as they are at home, so you never have to say again “But my dog does it perfectly at home or in class.”

**SEMINAR 2 - JANUARY 20, 2021 - 8:30 pm-4:30pm - TURNS AND SIDE CHANGES.** Virtually every agility course requires you execute various changes of sides, whether front, rear, or blind crosses, as well as various turns such as wraps. Yet, many people are unconfident or unskilled in their choice and execution of these crucial handling skills. Stacy will share the secrets of great turns and crosses and strategies for their use. This is a great way to build your dog’s teamwork with you.

**SEMINAR 3 - JANUARY 21, 2021 - 8:30 pm-4:30pm - FIND THE LINE.** This seminar is designed to teach you to “find the line” that supports the proper and most efficient path for your dog. You will learn how to get where you “need” to be by not traveling where you “don’t” need to be. You will also be learning how to work in front of your dog at the steering wheel, rather than relying on backseat driving.

**SEMINAR 4 - FEBRUARY 9-11, 2021 - 8:30 pm-4:30pm - ADVANCED HANDLING** - 3 days of working with Stacy on improving and polishing your handling skills. You don’t want to miss a single day of this exciting and challenging seminar (but you can sign up for less than all 3 days if there is room). For dogs working at the Masters, Excellent, or Elite levels (even if not yet showing at that level).
