Brief Summary of Rules:

Please refer to www.nadac.com for a full explanation of all NADAC rules and up to date information.

- Please note that NADAC trials should provide a safe and fun environment for both exhibitors and their dogs.
- Aggressive dogs will not be tolerated and will be excused from the trial.
- The show committee has the right to refuse any entry. Anyone not currently in good standing with NADAC will not be allowed to enter this trial.
- Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and agree to abide by all rules in effect at the time of this trial.
- No entry fee will be refunded if the trial cannot open or be completed by reasons of riots, civil disturbances, fire, acts of God, public emergency, an act of a public enemy, or any other cause beyond the control of the organizing committee.
- Checks not honored by the bank do not constitute a valid entry fee. There will be a \$25.00 service charge for bank returned checks.
- Dog must be registered and have a valid registration number before entries will be accepted.
<https://www.nadac.com/register-your-dog/> A copy of the current Exhibitors Handbook may be downloaded free from the NADAC web site: www.nadac.com
- Bitches in heat, lame, or blind dogs are ineligible for entry, as is any dog with a deformity which may cause a judge to not be able to reasonably assess the dog's ability to function and perform agility obstacles safely, and in a manner that is in the best interest, health and welfare of the dog.
- No food, clickers, or other aids or devices shall be permitted on the course or within 10 feet of the ring. Food or a small non-audible toy can be in a secure container (ziplock bag is acceptable) in your pocket during your run but it cannot be used during your run, nor can you indicate to the dog it is there. All handlers may bring a non-audible toy into the ring for training purposes. They cannot earn a Qualifying score and must declare to the judge they are training before they commence their run. Please read the Exhibitor's Handbook for more information about toys and training in the ring.
- The sponsoring clubs will not be responsible for the loss or damage to any dog exhibited, or for the possessions of any exhibitor whether the result be accident or other cause. It is distinctly understood that every dog at this event is in the care and control of his owner or handler during the entire time the dog is on the show premises.

- Running order is determined alphabetically. Handlers with more than one dog in a class will be separated if possible.
- All Exhibitors for a given class should be present at ringside at least one-half hour prior to the start of the scheduled classes for walk-through and briefing.
- Any dog and handler not present when called will be ineligible to run.
- All ring conflicts will be handled by the Gate Stewards.

Run Pricing info

All classes for adult handlers \$12/run Every 12th run is free (for adult handlers) from a single household.

Junior Handlers - \$6 per run

If you have never done NADAC before, or it's been over 3 years since you have done NADAC, we are offering a welcome to the venue deal where you can enter all classes each day for 50% OFF your entry. New dogs under a handler who has done NADAC before are not eligible.

JCAC Full Trial Etiquette

If a trial is declared full, it is because we have reached the maximum number of runs as stated on the premium for that day. That number of runs was determined based on experience, taking into account the type of classes offered and the amount of time/daylight we have available.

When the maximum is reached, the trial secretary starts a wait list for each day and maintains it through the show dates. To be on the wait list, entry and fees need to be received by the trial secretary (to be clear – you cannot have a place reserved in the show until payment is received).

The club pays NADAC and the judge for every run that's on the books at the beginning of the trial, and when we are using Agility Gate, the files are finalized 2-3 days before the trial begins. If the trial has reached the maximum number of runs for a specific day, the trial secretary is not allowed to add runs to dogs already entered or to add dogs to the show. IT IS FULL!

Even if someone scratches, those runs are not "up for grabs," they are still on the books and count toward the maximum. If someone pulls out of the show ahead of time and there are runs available, it is the responsibility of the trial secretary to fill those runs from the wait list, in order, not from whoever is handy. If someone scratches on the day of the show, those runs are not available AT ALL.

The trial secretaries are following the policies of NADAC and JCAC with regard to the number of runs at trials and are acting to be fair to all exhibitors. Please be considerate, we are doing our job as well as we possibly can.
