

**JUMPING CHOLLAS AGILITY CLUB PRESENTS**

# **SANDRA TUNG**

**From Greater Seattle, Washington**

Sandra never had a dog until 2010, when she acquired two Shiba Inus as companions from a local breeder. Sandra quickly immersed herself in dog training and all things dog. She has since trained and competed in multiple dog sports and has achieved many titles with her dogs.

Sandra has been an avid Nosework / Scent Work competitor since 2011. She enjoys training and competing with her dogs and has successfully competed with all five of her dogs with vastly different temperaments and styles. She also handles a friend's dogs at times, including Standard Dachshunds, a Border Collie and an Australian Shepherd, and has earned many titles and placements. She has also earned numerous high titles and placements with her own dogs, including several Shiba Inus and 2 Australian Shepherds. Her older Australian Shepherd, Cajun, earned his NACSW NW1 title at 13 months old and finished his NW3 Elite at 17 months old and his Elite Championship at 2 years old!!!! He completed his NW3 title in 3 trials with two HITS and a 2<sup>nd</sup> place overall, all with Pronounced designations from the judges. He was 2 ½ years old when he got his Summit title with a 3<sup>rd</sup> place overall. Her younger Aussie, Chiron, is almost as talented and has all of his top nosework titles.

Sandra is a licensed Barn Hunt and AKC Scent Work judge.
