CLASSES & TITLES OFFERED

Standard

Novice Standard (NA), Open standard (OA), Excellent "A" Standard (AX), Masters Standard (MX), Premier Standard

Jumpers with Weaves

Novice JWW (NAJ), Open JWW (OAJ), Excellent "A" JWW (AXJ), Masters JWW (MXJ), Premier JWW

FAST

Novice FAST (NF), Open FAST (OF), Excellent "A" FAST (AXF), Masters FAST (MXF)

The regular Novice classes are divided into Divisions A and B.

Division A is for dogs that have never acquired any AKC Agility title. Additionally, a dog entered in Novice A must be handled by a person that has never put an AKC Agility title on any dog, and the handler must be the Owner, Co-Owner, or a member of the Owner's household. Handlers that co-own a dog and have never put an AKC Agility title on a dog may enter the Novice A class regardless of the other co-owner's AKC Agility accomplishments. Dogs eligible for Novice A may be entered in the Novice B class at the discretion of the Owner.

Division B is for dogs that have acquired the Novice Agility title or the Novice Jumpers with Weaves (NAJ) title, or for persons who have handled a dog to any AKC Agility title, and for dogs being handled by someone other than the Owner, Co-Owner, or household member subject to the restrictions listed above. A dog may continue to be shown in the Novice B Class until they have acquired a qualifying score towards their Open Agility (OA) title.

Preferred Standard

Novice Preferred Standard (NAP), Open Preferred Standard (OAP), Excellent "A" Preferred Standard (AXP), Excellent "B" Preferred Standard (MXP)

Preferred JWW

Novice Preferred JWW (NJP), Open Preferred JWW (OJP), Excellent "A" Preferred JWW (AJP), Excellent "B" JWW (MJP)

Preferred FAST

Novice Preferred FAST (NFP), Open Preferred FAST (OFP), Excellent "A" Preferred FAST (AFP), Excellent "B" Preferred FAST (MFP)

All dogs entering the Preferred classes for the first time must enter the Novice level in the Standard Preferred class, the Jumpers With Weaves Preferred class, the FAST Preferred class, unless they are crossing over from the Regular classes. If the dog is crossing over from the Regular classes to the Preferred classes, they may be entered at the level the dog is eligible to compete at in the Regular classes. Crossovers from Regular to Preferred may be done in different classes at different times. Each change from Regular to Preferred is considered separately for Standard, Jumpers, and FAST. This is a one-time crossover and the dog's eligibility is determined as of the date that they receive a qualifying score in the Preferred class.

Once a qualifying score is earned, the dog is no longer eligible to be entered in a different class level for future entries in Preferred if they were entered using the one-time crossover.

HEIGHT DIVISIONS

The following jump height divisions shall be used in all Titling trial classes:

- 8 inches**.....For dogs 11 inches and under at the withers
- 12 inches**.....For dogs 14 inches and under at the withers
- 16 inches**.....For dogs 18 inches and under at the withers
- 20 inches**.....For dogs 22 inches and under at the withers
- 24 inches**.....For dogs over 22 inches at the withers
- 24 inch Choice**....For dogs measuring 22 inches and under only

The 24 Inch Choice jump height is for dogs entered in the Regular division that measure 22 inches and under ONLY. Dogs that measure over 22 Inches and are required to jump 24 inches will stay in the current 24 Inch height. Dogs measuring over 22 inches are not allowed to enter 24 Inch Choice. Course times for the 24 Inch Choice will be the same as the 20 Inch height in all classes.

Additionally, dogs that measure 22 inches and under at the withers may not be entered in the 24 Inch jump height on or after January 2, 2018. They may only be in the 24 inch Choice jump height.

The following jump height divisions shall be used in all Preferred Titling trial classes:

- 4 inches**.....For dogs 11 inches and under at the withers
- 8 inches**.....For dogs 14 inches and under at the withers
- 12 inches**.....For dogs 18 inches and under at the withers
- 16 inches**.....For dogs 22 inches and under at the withers
- 20 inches**... ..For dogs over 22 inches at the withers

ENTERING A MIXTURE OF REGULAR AND PREFERRED CLASSES WITHIN THE SAME TRIAL WEEKEND

Exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

If a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

ENTERING FOR EXHIBITION ONLY (FEO)

- For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is allowed in any event. Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO need not be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).

FIX AND GO ON (FNG)

- Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.
- A judge must monitor the entire run. Judges can stop a run at any time.

WARM-UPS

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. The walk-through allows handlers to plan their strategy for running the course. A walk-through period will be held prior to each class. There will be no course familiarization for Novice handlers at this trial.

A warm-up area, consisting of one regulation agility jump, shall be provided for all exhibitors. Exhibitors may **NOT** use the warm-up area to relieve their dogs.

OBSTACLES

The following mandatory obstacles and jumps shall be used for all classes:

A frame	Broad jump	Weave poles	See Saw	Bar jump	Double Jump
Triple Jump	Breakaway Tire jump	Dog Walk	Pause table	Panel Jump	One-bar jump
Open (pipe) tunnel	ALL CONTACTS are RUBBERIZED				

RING INFORMATION

This trial will be held in 2 rings at least 100 feet by 100 feet in dimension. Classes will run simultaneously in both rings. It will be held outside on grass, regardless of the weather. There is limited shade but plenty of room.

ELIGIBILITY OF DOGS

This trial is open to all dogs over the age of 15 months that are registered with the American Kennel Club, or are registrable breeds that have obtained an AKC, PAL/ILP, or MA (Canine Partner) number. Dogs should be physically sound. Dogs that are blind or deaf shall not be eligible. **Bitches in season shall not be eligible to participate.**

EXHIBITOR INFORMATION

The trial will be conducted under American Kennel Club *Regulations for Agility Trials*. For copies of the Regulations, write to The American Kennel Club, 8051 Arco corporate Drive, Ste. 100, Raleigh, NC 27617-3390 or call (919) 233-9767. Also, can be printed directly from the Internet - <http://www.akc.org/pdfs/rulebooks/REAGIL.pdf>.

Entries must reach the Trial Secretary by 6 p.m. (Arizona time), Friday December 26, 2025. Fees must accompany entries. Exhibitors are responsible for complete, accurate and legible information on their entry forms. **Entry fees are non-refundable except for bitches coming into season after the closing date (before the show begins) will be eligible for a refund up to 75% of total entry fee paid with a veterinarian's note.** Checks will be deposited once the show closes. A returned check will invalidate an entry and a \$25 service fee will be charged.

It is the responsibility of the owner or his/her handler to enter the appropriate class. The trial secretary will not automatically change entries to conform to AKC rules. Dogs may not move between regular and preferred classes once the trial has closed.

Food and toys are not permitted in the course area and handlers are not permitted to use whistles or other instruments or devices in or around the course area.

Dogs may be moved up to a higher class at the request of the owner, as a result of qualifying for an agility title, provided that the request is made to the Trial Secretary no later than **6 PM (Arizona time) January 6, 2026.**

There will be move-ups each day. Forms will be available at the trial and must be completed by 15 minutes after the trial is completed each day. No email move ups once the trial has started.

The judging will start promptly. During the hours of judging, owners are to be on call and have their dogs ready to bring into the judging ring promptly in order that the judging will not be delayed. Dogs need only be present for the judging of their class. Dogs not needed for further judging may be excused.

The safety of the dog is our primary concern. Any exhibitor entering this trial acknowledges that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all of the obstacles safely.

Exhibitors are responsible for the behavior of their dogs and/or children. There will be no refund of entry fee for exhibitors that are asked to leave the show site because of their dog or children creating unnecessary disturbances or repeatedly engaging in unsafe behavior.

Height Cards. All exhibitors with permanent (regular and preferred) measurements for their dog must indicate they have a permanent card on their entry. Dogs without permanent height cards will be measured at the show. This includes those jumping 24". **We anticipate having a VMO at this trial.** Your confirmation will confirm whether or not a VMO will be present at the show.

Exhibitors should follow their veterinarians' recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Dogs entered in the **Preferred** classes **must** compete at the required jump height and **may not** compete in a jump height division **higher or lower** than their proper height division.

All dogs that have not been officially measured for an **Agility Jump Height Card** may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of Record, that measurement will be valid for this trial or back-to-back trials only. The Judge's measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

I CERTIFY that I am the actual owner of the dog, or that I am the duly authorized agent of the actual owner whose name I have entered above. In consideration of the acceptance of this entry I (we) agree to abide by the rules and regulations of The American Kennel Club in effect at the time of this agility trial, and by any additional rules and regulations appearing in the premium list for this agility trial, and further agree to be bound by the "Agreement" printed on the reverse side of this entry form.
